

The Azrieli Foundation is pleased to announce an international postdoctoral fellowship Call for Applications.

Opportunity for Postdoctoral Fellowship 2019-2020

The Azrieli Fellows Program welcomes the best and the brightest scholars who wish to undertake postdoctoral research in Israel.

The fellowships are awarded on the basis of academic excellence. Candidates are assessed on their potential to make cutting-edge contributions to their respective fields. Aspects of leadership abilities and community engagement are also taken into consideration without regard to race, religion, gender, ethnicity or age.

Eligibility:

- The Azrieli Fellows Program is open to scholars at the postdoctoral level who are **Canadian citizens OR who have completed their doctorates at Canadian universities**
- Scholars may undertake postdoctoral research **in any field of study**.
- Candidates may apply **no later than four years** after conferral of their PhD Diploma
- Candidates must not hold a tenure or tenure-track faculty position.
- Scholars may apply in the last year of the PhD with a letter from the supervisor stating that the candidate will receive the doctorate by the summer of 2019
- Scholars must have an academic sponsor who is a faculty member at one of the seven participating Israeli academic institutions.

Participating Israeli Institutions:

Bar-Ilan University | Ben-Gurion University | Technion-Israel Institute of Technology
Tel Aviv University | The Hebrew University of Jerusalem | University of Haifa
Weizmann Institute of Science

We also refer you to a list of postdoctoral positions currently available in Israel on the website of the Israel Academy of Sciences and Humanities.
