

Dear Student,

A student with credit in their annual balance (due to grants, reduction in percentage of tuition due, etc.), will receive a tuition refund directly to their bank account on dates determined by the university.

For your information, all grants and other sources of financial support will also be transferred to this bank account.

To this end, **all students** are requested to fill out the lower portion of this form and to return it promptly to our office.

Please note a student who does not fill out the lower portion of this form, and who is eligible for a tuition refund or grant – will not be able to receive these sums until they hand in their bank details.
