

Graduate Studies Authority Application Guidelines for Post-Doctoral Studies **Academic Year 2018/2019**

1. Candidates willing to apply for post-doctoral studies are requested to register to the university for the academic year 2018/2019 by contacting the administrative assistant in the department of the post-doc supervisor, after making sure that the candidate meets the admission criteria according to the regulations ([Guidelines in English](#) and [Guidelines in Hebrew](#))
2. In the initial stage, the administrative assistant shall get from the supervisor all necessary documents as detailed here below, and shall transfer the application file to Ms. Laurence Cohen Amar through email claurence@univ.haifa.ac.il including the following scanned documents:
 - a. Photocopy of the PhD diploma including graduation date and/or official document with the date of submission of the PhD dissertation.
 - b. Curriculum vitae / Resume in Hebrew and/or English.
 - c. Two recommendation letters from senior academic faculty members from accredited universities in Israel and abroad
 - d. A letter of consent from the post-doc supervisor
 - e. A letter of consent from the head of department to enroll the student as a post-doc within the department
 - f. A planned post-doc research plan
 - g. Bank account details for those already having an Israeli bank account (form attached)
 - h. Applicants from abroad must attach a photocopy of their passport.

Note: According to the regulations, the normative time period for completing post-doctoral studies is one year. Requests for extensions must be submitted to the Graduate Studies Authority by filling all fields in the attached extension form request. [Post Doc extension request form](#)
